

Julius-Maximilians-Universität
Würzburg
Bavaria • Germany

Winter School 2016

February 14-19, 2016

Julius-Maximilians-
**UNIVERSITÄT
WÜRZBURG**

Institute of
Mathematics

Calculus of Variations in Physics and Materials Science

Sergio Conti University of Bonn, Germany

Variational Modeling of Crystal Plasticity and Dislocations

Irene Fonseca Carnegie Mellon University, USA

**Epitaxy, Quantum Dots and Dislocations:
Dynamics of Material Defects**

Claude Le Bris École des Ponts and INRIA, France

**Nonperiodic Problems in Multiscale Materials Science:
Toward a Theory of Defects and Efficient Stochastic Approaches**

Scientific organizers: **Anja Schlömerkemper and Barbora Benešová,**
University of Würzburg

www.mathematik.uni-wuerzburg.de/winterschool2016

Registration online until November 15, 2015
A limited amount of financial support is available.
