

Einladung zum Oberseminar Dynamische Systeme und Kontrolltheorie

Julius-Maximilians-Universität Würzburg
Professur für Dynamische Systeme und Kontrolltheorie

Xianglin Liu
Yiwei Liu
Wenlong Pan

Yanshan University, Hebei, China

Three talks:

Prescribed-Time Control for Uncertain Nonlinear Systems and Its Inverse Optimality.
- Xianglin Liu

Multi-Strategy Metaheuristic Algorithms for Hybrid Power System - Yiwei Liu

Logic Switching Control of Nonlinear Systems - Wenlong Pan

The purpose of these talks is to let our group know about their research and to discuss perspectives whether some collaborations are possible.

Ort: Mathematik Ost, Seminarraum 01.003

Zeit: Freitag, 21.11.2025 14:15

Zu diesem Vortrag laden wir Sie herzlich ein.
