Some results on non-uniqueness of admissible weak solutions to the compressible Euler equations

Abstract:

We will present our joint work with Chunjing Xie and Prof. Zhouping Xin on the non-uniqueness of admissible weak solutions to the multi-dimensional compressible Euler equations. We will also review some recent progress on the field.

via Zoom video conference (request the Zoom link from klingen@mathematik.uni-wuerzburg.de)

Monday, June 20 at 9:30 am

Zu diesem Vortrag sind Sie herzlich eingeladen.
