

8th CEQURA-Junior Research Workshop

on

Advances in Financial and Insurance Risk Management

Munich, September 25, 2019

The [Society for Financial and Insurance Econometrics](#) in collaboration with the *Montreal Institute of Structured Products and Derivatives* and *Bayerischen Finanz Zentrum* will host the 8th CEQURA Junior Research Workshop on **Advances in Financial and Insurance Risk Management** in Munich on September 25, 2019.

The workshop is part of the 10th CEQURA Conference on Advances in Financial and Insurance Risk Management. It is especially organized for doctoral and advanced master students and provides a platform for

- Junior researchers to present and discuss on-going research in finance and insurance
- Firms active in the areas of risk management to present themselves and to meet with outstanding graduates and doctoral students considering a career in this field.

Venue/Date: The one-day workshop will take place at the [Seidlvilla](#), Nikolai-Platz 1b, 80802 Munich (Schwabing), on September 25, 2019.

Submission: To be considered for inclusion in the workshop please send in this [abstract submission form](#) by June 16, 2019 to riskconference@cequra.lmu.de.

We are happy to announce that the Society for Financial and Insurance Econometrics (Finanz- und Versicherungsökonomische Gesellschaft, FiVeG) will confer the **FiVeG-Award 2019** for the best presentation at the CEQURA Junior Research Workshop 2019. The award decision will be based on the oral and slide presentation (20 minutes) plus a poster (in A3 format) posted at the workshop. Presentation could be either in English or in German language.

Registration: There is no registration fee for academic participants. Members of the Society for Financial and Insurance Econometrics may apply for financial support for attending the workshop. To help us to smoothly organize the workshop, please send as early as possible a short e-mail to riskconference@cequra.lmu.de, indicating your interest in participating.

Program: The program will be available by July, 2019

We look forward to meeting you in Munich.
