Seminar on Deformation Quantization

1. 7. 2022 at 15:30 CEST

Seminar in SE 31

STEFAN WALDMANN (JMU WÜRZBURG)

Between Classical and Quantum: A Student-Friendly Introduction to the
Research at ChairX

In this short talk I will give a non-technical overview on the research topics at ChairX. In particular, I will indicate which prerequisites are needed and used.

Invited by Stefan Waldmann
